Before Change

After Change

RELEASED

Overview

- Molex Ireland plant will be closing in 2020. The Picoflex product family produced in Molex Ireland will be transferred to Molex Malaysia. All the current tools and equipment will be transferred. Only the manufacturing location will change.
- Molex will complete internal qualification processes for the transferred products.
- Initial Internal Qualification Date (IQD), Sample Availability Date (SAD) & Planned Implementation Date (PID) is the tentative date.

Overview

- Change to Agency approvals: VDE approval will not be continued on this product line after the transfer.
- No change will be made to the products, no impact to customer assembly, product fit or function.
- The production will be transferred in phases up to the implementation date.
- Part Number Impact (See the attached list)

Product Change Notification (PCN)
