Sample Availability Date (Changed Part)	June 15, 2020		
Planned Implementation Date	August 03, 2020		
Method of Identifying Change	Date code		

Before Change

Overview

- This is to announce that that existing production plant (Molex Kagoshima east plant) will transfer the production line to Molex Vietnam plant.
- The existing mold die in Kagoshima plant is getting aged. In order to ensure stable production, new mold die will be made by Molex Vietnam subcontractor then moving to Vietnam plant in-house.
- By this change, Molex Vietnam plant will start production with new mold die.

Before

- The manufacturer is Molex Kagoshima East plant.

After Change

After

- The manufacturer will be changed to Molex Vietnam plant.
- Product impact :
There is no impact to form, fit, function, packing by this change
