After Change

Overview

- We are notifying you of our decision to discontinue production at our Temp-Flex cable facility in South Grafton, MA and to transfer production to our operations in Guadalajara, Mexico.
- A design and development team will remain in the area, including sales and customer service, who will continue to support you. Your customer support contacts will remain the same.
- We expect to complete the transfer process in a series of phases over the next 12 months.
- Product Impact
 - No change to fit, form, function, or appearance
 - No impact to tool design or manufacturing strategy
 - Raw materials will remain the same and will be supplied by an existing validated supplier
- Qualification Reports and samples available upon request after the date shown above

Product Change Notification (PCN)

You may address any technical inquiries regarding this PCN by sending E-mail to pcn_coordinator@molex.com or your Local Sales Engineer.

Note: While responding, please retain "**PCN Notification:508365**" in the e-mail Subject line for faster response.
