After Change

Overview

- This PCN is to replace previous PCN507741.
- Due to customer demand increase, Molex will use Multi-cavity tool to replace single cavity tool for STAK50 product. Single cavity tool will not be used any more. Two features will be implemented on Multi-cavity as below:
 - Extension of rib on the top side on ISL side
 - Interface rib core-out refinement
- Product Impact
 - no impact to mating interface
- Part Number Impact
 - 160028XXXX
- Qualification Reports and samples available upon request after the date shown above
