Before Change

- Transfer Rationale:
 - In a rapidly increasing demand of the products, in order to maintain a stable production and supply with keeping on time delivery, we decided to transfer a manufacturing location from Shizuoka plant. This Short Notice PCN is to communicate this transfer to impacted customers as soon as possible.
- The transfer follows a strict procedure, which fully maintains quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location operates under a certified quality management system in accordance with standard industry requirements. A Molex internal release test based on the relevant part specification defined by Product Engineering will be executed before delivery.
