Before Change

After Change

Product package review – Before change

Overview-After change

- We will change the DU(SPO) and packing method of MX150 series, the Air Bag packaging method has better cushioning and handling.

- Product Impact: no impact to fit, form or function.
- Part Number Impact: see attached impacted parts list (Note : all new PNs created between Oct 2020 and implementation date will have the DU changes as well)
- Qualification Reports and samples available upon request after the date shown above
