Planned Implementation Date	January 28, 2021		
Method of Identifying Change	Date code		

Before Change

PG9 mounting Receptacle Shell

M16 mounting Receptacle Shell

After Change

Overview

- This PCN is a retraction/recall for previously issued PCN# 508915 communicated on June 9, 2020 for the following:
Replacing the current ERWPAB3002Mxxx and ERWPAB3004Mxxx Series and giving you two options (PG9 or M16 panel mount version) to choose from based on your current needs. We are only restructuring the Part Numbering nomenclature and not making any physical changes to the product design or packaging that you are already receiving for both PG9 & M16 variations.

Due to the transfer plan for plant 3081 this change is cancelled, and a new PCN will be issued at the appropriate time.
