DCI CAT6

After Change

Overview

- This PCN is a retraction for previously issued PCN 508461 – changed is planned implementation date – 29.10.2021
- The CAT6 cable is subject to change to improve the temperature rating of all CAT6 products. The RJ45 connector is as well subject to change to have a more robust Molex overmolded design for all CAT6 RJ45 products.
- Product Impact
 - Same electrical performance, but new Jacket with better temperature and UL rating
 - More robust overmolded RJ45 with strain relief, slightly different dimensions
- Part Number Impact
 - See IAR
- Qualification Reports and samples available upon request after the date shown above
