Overview

- Molex sees increasing demand on MOX 98982 54w receptacle connector. To ensure safe supply to customer demand, Molex invests to increase capacity for molds: build one new 54w HSG mold, and one new 36ckt module, and do cavity expansion for 54w lever mold and 18ckt module mold. This PCN is linked with PCN Notification 509766 for assembly line capacity update. Assembly line update was delayed to align with the molding tools.
- Product Impact: no impact to fit, form or function
- Part Number Impact: 98982XXXX, see attached impacted parts list
- These part numbers are Molex proprietary designs, therefore considered catalog/general market product.
- Level 3 PPAP will be available upon request beginning Nov 5, 2021. Request for PPAP must occur by January 15, 2022. Submissions must will not occur without request.
 - If PPAP requested, disposition response required within 5 days of submit date or it will be considered approved.
 - If no PPAP requested by January 15, 2022, the PPAP will be considered approved.

Product Change Notification (PCN)

You may address any technical inquiries regarding this PCN by sending E-mail to pcn_coordinator@molex.com or your Local Sales Engineer.

Note: While responding, please retain "**PCN Notification:510287**" in the e-mail Subject line for faster response.
