

# Product Change Notification (PCN)

|                                         |                                                                                                                                                                                                                                          |             |                   |
|-----------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|-------------------|
| PCN Number                              | 511575                                                                                                                                                                                                                                   | Date Issued | February 25, 2022 |
| Reason for Change                       | Change Supplier                                                                                                                                                                                                                          |             |                   |
| Change Type Description                 | This letter is to inform you that Molex is adding a new supplier or the supplier is making a change affecting the part(s) identified in this notice. There will be no negative impact to product performance as a result of this change. |             |                   |
| Reason for Short Notice                 | Special Request                                                                                                                                                                                                                          |             |                   |
| Assessment of Change                    | Product will be fully qualified before it is shipped. Qualification reports will be available after below listed date                                                                                                                    |             |                   |
| Internal Molex Qualification Date       | March 15, 2022                                                                                                                                                                                                                           |             |                   |
| Sample Availability Date (Changed Part) | March 15, 2022                                                                                                                                                                                                                           |             |                   |
| Planned Implementation Date             | March 25, 2022                                                                                                                                                                                                                           |             |                   |
| Method of Identifying Change            | Date code                                                                                                                                                                                                                                |             |                   |

## Before Change

### Product Picture

make no difference

## After Change

### Overview

- Add Alternative resin materials " WOTE LCP KD130I".

Change Reason :Due to existing resin supplier Polyplastics capacity constraint issue, we must qualify second resin source to meet ramp-up demand. Current supplier Polyplastics don't supply any volume due to their limited capacity. We must qualify local LCP supplier Wote to avoid production line-down. Wote is top one local LCP supplier in China.

- Product Impact:

No impact to fit, form or function;

- Part Number Impact:

see impacted part list

- We only change LCP resin supplier but the resin LCP 30% GF BLACK UL94V-0is not changed

✓ Before: Polyplastics LCP E130I-BK205P

✓ After: Wote LCP KD130BI-FA

- Product will be fully qualified before it is shipped. Qualification reports will be available after below listed date.
