Additional Information :

Dimensional Analysis of Packaging

- Current Packaging is 1 reel (2500pcs) in Box 309076500
 - Box Dimensions are 30 x 30 x 2.25"
 - Small minor flaps at corners do not allow for compression strength when box is closed allowing corners to crush and potential for reels/product in box to be damaged during shipping and handling.

- New Packaging will be 2 reels (5000pcs) in Box 85-01-0030
 - Box Dimensions are 30.25 x 30.25 x 4.06"
 - Corners have minor flaps that tuck well and provide the outer corners with additional compression strength during shipping and handling (as shown on slide 1 after photo)
