After Picture

Overview

- Please be advised that the following Part numbers from the QSFP+/ZQSFP+ Ganged cages product families are being made Obsolete with replacement. The spring fingers of the offered replacement parts will be made of Stainless Steel & will also undergo laser welding during the assembly process.

- Reason for Change
Critical shortage of Beryllium Copper which is the raw material used in spring fingers of the affected parts.

- Product Impact
Spot welds will be the only effect to the form, no impact on fit or function based on test summary 1000143001 (available upon request).

- Samples of the replacement part number can be supported upon request .

RELEASED

"After the last time ship date, Molex will no longer manufacture the products included within this notification and all related tooling will be decommissioned."

Do you feel we should clearly specify for customer owned assets?

"For assets that are customer owned, the owner has 90 days after the last time ship date to claim the tooling."
