Overview

- Add Alternative resin materials " WOTE LCP KD130i".

Change Reason :Due to existing resin supplier Polyplastics capacity constraint issue, we must qualify second resin source to meet ramp-up demand. Current supplier Polyplastics don't supply any volume due to their limited capacity. We must qualify local LCP supplier Wote to avoid production line-down. Wote is top one local LCP supplier in China.

- Product Impact:

No impact to fit, form or function;

- Part Number Impact:

see attached impacted part list

- We only change LCP resin supplier but the resin LCP 30% GF BLACK UL94V-0is not changed

✓ Before: Polylactics LCP E130i-BK205P

✓ After: Wote LCP KD130BI-FA

- Product will be fully qualified before it is shipped. Qualification reports will be available after below listed date.
