## Overview

- This PCN is updated PCN which make some modification of previous PCN510979
- Because of resource and strategy adjustment, Molex decides to suspend alternative material study/qualification on some products during this PCN. So, these PNs are not impacted in PCN510979.
- Molex may re-kick off a new project which will consolidate whole MX64 product resin using, also avoid the supplying risk on whole MX64 product. Will re-inform after Molex complete the Whole MX64 alternative resin study.
- **Product Impact**
  - "no impact to fit, form, function".
- **Part Number Impact**
  - see attached impacted parts list, only impact Molex ChengDu plant.
- **Planned Implementation date.**
