Overview Description of Change

- All these part numbers are Molex proprietary designs, therefore considered catalog/general market product.
- There is no impact to product fit, form, nor function with these transfers.
- Production validations will be approved by OEM's.
- Request for Level 3 PPAP must occur one week prior. Submissions will not occur without request.
 - If PPAP is requested, disposition response required within 5 days of submit date or it will be considered approved.
- Molex will be moving molds and assembly line. This move will be from Lincoln, Nebraska to Guadalajara, Mexico (site 2) and was made to provide the best delivery to local production products.
- Part number impact: Series 34576, 34576, 34822, 34566, 216744, 216739. See attached impacted parts list.
- In accordance with the requirements established by the certifying bodies, the Guadalajara2 facilities have IATF 16949:2016, ISO14001:2015, ISO45001:2018.
- In addition to the new manufacturing facility, we are working with a third-party logistics provider in Guadalajara, Mexico. Please discuss logistics options for receiving product with your sales contacts.
