Before Picture

Overview

- To better serve our customers and to leverage our global manufacturing footprint, Molex Singapore will relocate production of the Mili-Grid product series from Singapore to the Molex Malaysia production facility. Buffer stock and capacity tooling will be built as needed to ensure a seamless transition.

After Picture

Overview

- To better serve our customers and to leverage our global manufacturing footprint, Molex will relocate production of the Mili-Grid product from Singapore to the Molex Malaysia production facility. Buffer stock and capacity tooling will be built as needed to ensure a seamless transition.
- Impacted part numbers – see attached list
- No impact to form, fit or function. No changes are being made to these products as a result of this transfer. Only the production location of Mili-Grid product series are changing.
- After the transfer of each product, qualification reports and samples will be made available upon request.
