Overview

- The purpose of this letter is to inform you that Molex would like to add a second source Metal supplier. The metal strip keeps the same Alloy number. The reason why Molex would like this change because the Longer lead time from current supplier is a big burden to Molex. With this change, there will be no changes to parts application and no impact to fit ,form & function of product. Molex will follow our internal qualification process for PV testing.
- Product Impact:
no impacts to fit, form & function.
- Part Number Impact:
See attached impacted parts list.
- Qualification Reports and samples available upon request.
- PCN will be implemented once all required qualification/ validation has been completed and all necessary approvals have been obtained.
