Overview

Purpose of this change is to add a second source for MX64 1x2 Ring Seal. Reason for change is to make the strategic decision to qualify second source to reduce any future of supplier risk for this component.

Molex team will take necessary qualification action on new second source to ensure the product meets the same form, fit, and function requires as defined in the current Molex product specification and sales drawing.

This will impact production plant Chengdu and Guad SUR.
