## Overview

- Molex would like to inform you about the following changes that will be implemented to zQSFP 100G DAC
  - Addition of Molex-approved raw cable twinax supplier as an additional source to ensure supply safety, currently applicable only to zQSFP 100G 32 AWG. CoO will change to Vietnam.
  - Addition of Molex Guadalajara, Mexico as an additional manufacturing location for zQSFP 100G 32 AWG to comply with out of China requirements from customers. Molex Guadalajara will use their own tooling and equipment.
- Product Impact
  - No change in the form, fit or function.
- Part Number Impact
  - See attached impacted parts list
- Qualification Reports, PPAPs, and samples available upon request.
- PCN will be implemented once all required qualification/ validation has been completed, and all necessary approvals have been obtained.
