■ MX150 seal plug (34345)

After Picture

Overview

- Existing seal plugs (Engineering Series #34345) for MX150 are produced in Molex Lincoln Plant, in order to mitigate the tariff impact between US-China, and meet the customers' expectation on "local supply chain", we plan to move the manufacturing location from Lincoln to Chengdu to supply Chinese Customers.
- Engineering Series #34345 will make new tooling at Chengdu.
- The above change will follow qualification process of Molex. No change on fit, form and function.
- The above change will be applied to Chinese customers only.
- Part Number Impact: see attached impacted parts list

- Qualification Reports and samples available upon request
- PCN will be implemented once all required qualification/ validation has been completed and all necessary approvals have been obtained.
