Connectors ASSEMBLY urgent capacity expansion to promptly meet customers demands.

After Picture

Overview

- GPEC/GPCM 95-way Connectors
- Capacity urgent expansion to cover demands increase
- Adding New Assembly line to enhance connector's capacity

- Product Impact: "no impact to fit, form or function"

- Part Number Impact: 34745/34974/34992/202251
See Impact PN list
- Qualification Reports and samples available upon request
- Molex will choose 34745-6001 as representative PN for validation and customer sample submission
- To address the urgent need for capacity and mitigate the risk of supply interruptions, Molex plans to start utilizing this additional capacity 6 weeks upon a "fully In-Spec PPAP" readiness.
For customers with unique requirements that may delay their approval process, we kindly invite you to consider granting a deviation to allow the use of this capacity in the interim. This proactive measure will help ensure uninterrupted supply and minimize associated risks.

Thank you for your support and collaboration
