After Picture

Overview

- 90816- Dimension B should be measured from the first circuit to the last circuit. But as shown in the above figure, there is a discrepancy observed where it is measured from the first circuit to the second last circuit.
- After revision, the dimension B will be measured from the first circuit to the last circuit as shown in the figure above.
- Part Number Impact
 - 90816 series
- Product Impact
 - No impact to form, fit & function.
- PCN will be implemented once all required qualification/ validation has been completed, and all necessary approvals have been obtained
