

# Product Change Notification

<b>Date Issued :</b>	September 26, 2025	<b>PCN Number :</b>	517324
<b>Reason for Change :</b>	Manufacturing Process Change (Molex)		
<b>Description of Change :</b>	This PCN to inform that Molex will change the resin material for Micro-One 217063 (vertical header) and 217064(right angle header) series. No changes will be made to product as part of this change .		
<b>Assessment of Change :</b>	First Article Inspection Reliability Test Report/s		
<b>Planned Implementation Date :</b>	March 31, 2026		
<b>Customer Sample Availability Date:</b>	November 03, 2025		
<b>Last date to request Samples by Customer :</b>	November 03, 2025		
Please note if Samples are not requested as per Customer Samples Request date, it may take additional 4-6 weeks to arrange Samples.			
<b>Traceability Code Markings / Date :</b>	Date code

## Overview

Molex will change the resin material for Micro-One 217063 (vertical header) and 217064(right angle header) series to standardize with other series and improve production efficiencies

### Description of Change:

- ✓ Resin material will change for 217063 (vertical header) and 217064 (right angle header) series
- ✓ This will be a running change. When the original resin is depleted, the production with new resin will start

✂For more detailed information, please refer to the information on the following pages.

## Overview

- This PCN to inform that Molex will change the resin material for Micro-One 217063 (vertical header) and 217064(right angle header) series to standardize with other series and improve production efficiencies.

### Description of Change:

- ✓ Resin material will change for 217063 (vertical header) and 217064 (right angle header) series
- ✓ This will be a running change. When the original resin is depleted, the production with new resin will start

### ➤ Part Number Impact

2170630087	

### ➤ Product impact

- No impact to fit, form or function.
- Keep Glow wire, Potting capable.
- Slight difference in color (Please refer to the next page.)

※ Only black color is available for Micro-One 217063 and 217064 series

- PCN will be implemented once all required qualification/ validation has been completed, and all necessary approvals have been obtained

RELEASED

**Additional Information :****Change Overview**

## ➤ Color change:

-Please refer to the slight difference in color as below.

- Before change

- After change

## ➤ Identification:

-During the first 3 lots of production with the new resin, add an "Sticker" like right picture on the label. Please refer to the example.

Example: Marking on carton label for the first 3 lots of production with the new resin
