<b>Traceability Code Markings / Date :</b>	Lot information on label		

Before Picture

## Change overview

- There will be change in the manufacturing processes and raw material and the manufacturing location including trademark size will change from in-house to outsourcing supplier, but these changes do not impact the product's fit and function with reference to the Sales Drawing.
- We will use the same level of copper to maintain the same quality as existing products and stabilize the metal supply from the new supplier.

ITEM	BEFORE	AFTER
Change Plating Process	Pre-Plating Process	Post-Plating Process
Change raw material/ Supplier & Trademark size	Current raw material/Supplier 	New raw material/New Supplier 
Change Production location	In-house	Outsourcing Supplier

After Picture
