Overview

- ✓ To support business continuity and mitigate supply risks associated with rapidly increasing market demand, as well as capacity constraints experienced by the incumbent supplier, Molex is qualifying an additional copper metal strip supplier to ensure a stable and adequate supply of material for customer requirements.
  - Establishing dual sourcing with a new copper supplier while maintaining equivalent quality.
  - Molex has extensive experience using the new supplier's alloy in multiple product application, and quality and reliability have been verified to be equivalent to those of the incumbent supplier.
- ✓ Product impact
  - No impact to fit, form or function
- ✓ Series number impacted
  - 213028/213029
- ✓ PPAP and samples are available upon request from 10/7 2026
  - Available samples: 2130281000 / 2130291000
- ✓ This PCN applies only to products manufactured in Japan.
