## New PQ Label Input for Non-MPQ Shipments

### Information Notification

NXP Semiconductor is standardizing their non-MPQ process for the ATKL (Kuala Lumpur, Malaysia) and ATTJ (Tianjin, China) sites by eliminating the use of the Order Authority (OA) for non-MPQ shipments. This will be replaced with a new process using the PQ label.

OLD Process:

- 1) OA number printed on PQ label next to EXCEPTION
- 2) OA copy attached on packing box

NEW Process:

- 1) Wording 'NON-MPQ' will be printed on the PQ label next to EXCEPTION
- 2) No OA document will be attached to packing box

See examples of the new process in the attached file

### Why do we issue this Information Notification

To align to one way of working among all NXP sites.

### Identification of Affected Products

Packing labels

Wording 'NON-MPQ' will be printed on the PQ label next to EXCEPTION

### Impact

There is no impact to the products form, fit, function, reliability or quality

### Additional information
