Engineering Change Notification

To: All Relevant Customers

From: Newhaven Display Marketing, Business Management

This notice is to inform you of a change to the following LCD display products:

NHD-3.5-320240MF-ATXL#-1

NHD-3.5-320240MF-ATXL#-T-1

NHD-3.5-320240MF-ATXL#-CTP-1

This TFT display has been revised to use the NV3035C driver instead of the NT39016D driver. The previous driver became obsolete with limited availability. The new driver has been tested and qualified by Newhaven engineering to be a suitable replacement with no difference in the end product fit or form.

Customers should see no effect in display functionality. If any issues are found, please notify Newhaven engineering support for a solution.

Please visit www.newhavendisplay.com or email nhtech@newhavendisplay.com for further information or assistance with this product change.
