NOTIFICATION TYPE:

ON Semiconductor considers this change approved unless specific conditions of acceptance are provided in writing. To do so, contact <quality@onsemi.com>.

DESCRIPTION AND PURPOSE:

ON Semiconductor's Image Sensor group is optimizing its packing materials. The band which is used to pack trays together will convert from a pink rubber band to a blue polyester band. The trays and boxes remain unchanged.

**Attention:**

This picture only intends to show the new blue polyester band.
The actual tray, stacking height, depends on the specific product and order but will remain unchanged versus the current specifications..
