Product Change Notice #062402

Type of Change:

☒ End of Life	☐ Material Change
☐ Facility Change	☐ Process Change
☐ Design Change	☐ Other

Part Series Affected: TKH45 and TKH55 (Full list of affected parts numbers included on next page)

Description of Change: Ohmite is discontinuing four part numbers in our TKH45 and TKH55 series.

Reason for Change: After moving the TKH45 and TKH55 manufacturing to our Matamoros, Mexico factory, Ohmite changed the series from a thin film to a thick film part. As a result, we are no longer able to manufacture the lowest resistance values on these two series.

Expected Influence on Quality/Reliability/Performance: The rest of the TKH45 and TKH55 series resistance values will have no issues.
