Product Change Notice

Type of Change: ☐ End of Life ☒ Material Change
 ☐ Facility Change or Addition ☐ Process Change
 ☐ Design Change ☐ Other- Packaging

Part Series Affected: WFH Series

Effective Date: Approx July15 2022

Starting on or about July 15, 2022 the WFH Series heatsinkable wirewound resistor will be supplied with Black Silicone Molding Compound instead of the current Red/Orange color. The change is due to material availability and has no effect on the performance of the product. All performance specifications have been tested and verified as equivalent with the new Black Silicone Molding Compound.
