# Replacement Type Definition

---

## DIRECT REPLACEMENT

Exact same part in a different package or has any other update that doesn't change the product itself

## COMPATIBLE

The replacement part is different in some way that allows it to be used for some applications, but it is not the same part. The difference can be in color, size, material, or performance (like *CAT5 to CAT6*), etc.

## COMPLEX

The replacement part(s) are too dissimilar to assume it can easily replace the discontinued part, however Panduit can offer a replacement which may be used in certain applications. Customer Experience should be contacted.

NO REPLACEMENT

No replacement product is available
