### Description and Purpose of Change:

Pericom would like to notify all customers that CJE's SOT-23 package will be moved from C3 plant located in Jiangyin, Jiangsu province, China to C9 plant located in Chuzhou, Anhui province, China.

CJE's C9 plant is an existing and fully qualified strategic manufacturing supplier for Pericom products with many packages, ie. SC70, SOT143, DIP16/14/08 etc.

This is a manufacturing plant move only. The product bill of materials will remain the same. There is no anticipated impact to the product's functionality.

At the end of 90 day notice, customer should expect to receive products manufactured from the existing and new sites until we deplete our old products inventory.
