| Type of Change        | Key Alternative Component Adding                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Description of Change | <p>For the LC86G series module, Quectel will add alternative components for the integrated antenna:</p> <ul style="list-style-type: none"> <li>LC86G (LA): antenna (model: <b>(37)YSS18.4T4A0</b>) supplied by Sunyear will be added as alternative component to the existing one (model: <b>2300701003282</b>) supplied by GLEAD;</li> <li>LC86G (AA): antenna (model: <b>(65)YSS15T4A0</b>) supplied by Sunyear will be added as alternative component to the existing one (model: <b>2300701003283</b>) supplied by GLEAD;</li> <li>LC86G (AB, PA): antenna (model: <b>(65)YSS15T4A1</b>) supplied by Sunyear will be added as alternative component to the existing one (model: <b>2300701003314</b>) supplied by GLEAD.</li> </ul> |
| Reason for Change     | Due to rapid business growth, Quectel will add the above alternative components to ensure supply chain stability and meet the market demand.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |

### 2. Products Affected

| Model | Ordering Code |
|-------|---------------|
| LC86G | LC86GAAMD     |
|       | LC86GABMD     |
|       | LC86GLAMD     |
|       | LC86GPAMD     |

#### Sample Release Date:

Samples of Post-Change Products are available as of 04/01/2024 (DD/MM/YYYY).

#### Proposed First Shipment Date:

The shipment of Post-Change Products will start on 24/04/2024 (DD/MM/YYYY) unless Quectel receives a prior notice of refusal.

### 3. Customer Impact and Recommended Action

- No dedicated action needs to be taken for this change.
  - No change in fit, form, function, quality and reliability, except for the color of the antenna material.
  - No change in ordering codes (OC) and firmware versions.
- Depending on stock levels, Quectel will ship either Pre-Change or Post-Change Products after your acceptance of this PCN.

#### 4. Customer Acknowledgement of Receipt

Please acknowledge the receipt of this PCN and submit your acknowledgement response by sending an email to [info\\_PCN@quectel.com](mailto:info_PCN@quectel.com) within 30 days of receiving the PCN.

Lack of acknowledgement of the PCN and/or the acknowledgement response within the said time limit constitutes tacit acceptance; thus, Quectel shall implement the change as indicated above.
