Product End of life Notification

Dear Customers,

In an effort to optimize our product range, we notify you that the below products you may have purchased from us will be obsolete and discontinued. The demand for these products has been steadily decreasing, in addition, the tools are now obsolete, forcing the cost of parts and production to increase.

Therefore, Radiall announces the obsolescence of the **BDSA PATCH CORDS – NON – RETRACTABLE SLEEVE**, please refer to references in the attached list.

Radiall allows a last-time buy based on the guidelines below:

- Radiall sales representative or authorized distributors will be contacting you to determine interest in making a last-time buy.

This will be done up to January 31th, 2024. Purchase Orders should be placed within this time frame for delivery accepted till June 28th, 2024.

- All orders placed will be non-cancellable, non-returnable.

Please do not hesitate to contact your local sales representative or authorized distributors if you have any questions about obsolescence.

Sincerely,

Sylvain Gahery
Product Manager
