## Product Change Notification

1. ECR #: 26-51347-1  
Notification #: 831

2. Date of Announcement: May 04, 2026

### 3. Series:

- COM-HPC WT - null

### 4. Part #'s Affected

- ASP-230387-01-B
- ASP-230386-01-B
- ASP-230333-01
- ASP-230333-02
- ASP-230333-03
- ASP-230333-04
- ASP-230332-01
- ASP-230332-02
- ASP-230332-03
- ASP-230332-04

### 5. Description of Change:

Form change, voids were added to the Male body, and a new material is used for the male and female to allow processing without a weight. Old revision material will no longer be used on the male and female. This will be a hard cut implementation.

### 6. Method of Identifying Change

The new material color is still a NATURAL white color, but it has a different tint. The male body has additional voiding on the top of the part.

OLD ASP-230387-01-B (Male 1.5)

NEW ASP-230387-01-B with Voids (Male 1.5)

OLD ASP-230386-01-B (Female 3.5)

NEW ASP-230386-01-B (Female 3.5)

### 7. Reason for Change:

This product change is a solution for customers to process COM-HPC weld tab with without a processing weight. This notification is supplemental to Notification #796 to effectively confirm all the impacted part numbers.

**8. Impact of Change on Form, Fit, or Function:**

- Form - voids were added to the Male body
- Form - a new material is used for the male and female

**9. Projected Implementation Date:** May 04, 2026

**Disclaimer**

Please review the change notification details listed above for specific information regarding the nature and timing of the change. While Samtec has taken precautions to ensure this change is not detrimental to your application, each application can be unique and therefore customers should consider the effect of the change on their specific application.

Samtec has taken efforts to ensure that all users of this product who have requested change notifications have been informed. However, you should assume that this is the only notification that will be sent and you, as the recipient, must determine how to communicate this information to your organization(s) and customer(s) as appropriate. If you wish to opt out of receiving Samtec Product Change Notification emails, please contact [CustomerECN@samtec.com](mailto:CustomerECN@samtec.com). Due to technical progress, specifications are subject to change without notification and it is recommended to provide an alternative contact when opting out.

Please contact Samtec at [CustomerECN@samtec.com](mailto:CustomerECN@samtec.com) for any questions related to this change.
