

520 Park East Blvd., New Albany, IN 47150 U.S.A
(812)-944-6733 / 1-800-SAMTEC9

Product Change Notification

1. ECR #: 26-62279-1
Notification #: 859

2. Date of Announcement: August 14, 2026

3. Series:

- ECUO - OPTICAL FIREFLY ASSEMBLY
- OTP - OTP

4. Part #'s Affected

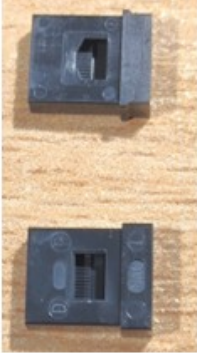

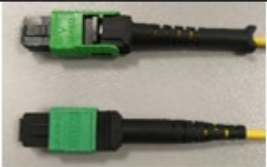

- ECUO-XXX-XX-X-X-X-XX
- OTP-XXXXXX-XX-ECUO

5. Description of Change:

Replace the US Conec Elite ferrule with Senko low loss ferrule due to limited supply of US Conec low loss ferrule. Comparison testing showed the new Senko ferrules to perform equal to the US Conec ferrule. The new Senko ferrule meets the same testing performance as the US Conec ferrule. Interchangeability was tested and found to be acceptable.

6. Method of Identifying Change

Senko ferrule does not have the US Conec brand name marking. See pictures showing the differences between the ferrules visible to the Customer.

a.	US Conec		
	Senko		
b.			Senko MPO-PLUS EZ-Way US Conec MTP
c.			US Conec Elite ferrule Senko ferrule *Both inside US Conec housing

Visual differences between Senko and US Conec Ferrule

7. Reason for Change:

This is a form change and Customer can see the visual differences between the US Conec and Senko ferrules.

8. Impact of Change on Form, Fit, or Function:

- Form - The two ferrule are visibly different.
-

9. Projected Implementation Date: August 14, 2026

Disclaimer

Please review the change notification details listed above for specific information regarding the nature and timing of the change. While Samtec has taken precautions to ensure this change is not detrimental to your application, each application can be unique and therefore customers should consider the effect of the change on their specific application.

Samtec has taken efforts to ensure that all users of this product who have requested change notifications have been informed. However, you should assume that this is the only notification that will be sent and you, as the recipient, must determine how to communicate this information to your organization(s) and customer(s) as appropriate. If you wish to opt out of receiving Samtec Product Change Notification emails, please contact CustomerECN@samtec.com. Due to technical progress, specifications are subject to change without notification and it is recommended to provide an alternative contact when opting out.

Please contact Samtec at CustomerECN@samtec.com for any questions related to this change.
