Product Change Notification

1. ECR #: 26-63831-1
Notification #: 864

2. Date of Announcement:
September 23, 2026

3. Series:

- RF047 - RF047

4. Part #'s Affected

- RF047-XXXXX-XXXXXX-XXXX

5. Description of Change:
Jacket color changed from brown FEP to blue FEP. Bend radius changed from 6.35mm to 5.0mm. Center Conductor changed from 0.32mm Silver-Plated Copper to 0.287mm Silver-Plated Copper. This will be a rolling change; blue wire will be implemented once the supply of brown wire has expired. In some cases, orders may have a mix of both blue and brown wires.

6. Method of Identifying Change
Cable jacket color changed from brown to blue

7. Reason for Change:
Supplier stopped manufacturing existing cable and a suitable second source was not found.

8. Impact of Change on Form, Fit, or Function:

- Form - Color change
- Function - Insertion loss change

9. Projected Implementation Date: October 23, 2026

Disclaimer

Please review the change notification details listed above for specific information regarding the nature and timing of the change. While Samtec has taken precautions to ensure this change is not detrimental to your application, each application can be unique and therefore customers should consider the effect of the change on their specific application.

Samtec has taken efforts to ensure that all users of this product who have requested change notifications have been informed. However, you should assume that this is the only notification that will be sent and you, as the recipient, must determine how to communicate this information to your organization(s) and customer(s) as appropriate. If you wish to opt out of receiving Samtec Product Change Notification emails, please contact CustomerECN@samtec.com. Due to technical progress, specifications are subject to change without notification and it is recommended to provide an alternative contact when opting out.

Please contact Samtec at CustomerECN@samtec.com for any questions related to this change.
