8 August 2016	26 October 2016	30 November 2016	31 July 2017 (Photocouplers) 31 October 2017 (Solid State Relays)	PCN-2016-0808-01R (Revised)

This is to advise you that the following products will be subject to a Factory Change.

This PCN has been revised:

- Notations to form/fit/function and replacement parts have been updated and are highlighted in yellow.
- New model samples and information dates are updated.
- The Last Buy opportunity and ship dates are subject to factory capacity.

PRODUCT ID (DESCRIPTION):

Isolation Devices: Photocouplers and Solid State Relays (See Table on following pages)

DESCRIPTION OF CHANGE:

Sharp is moving production of the Isolation Devices shown in the Table to a different factory. Price quotations are required for all replacement model numbers.

A Last Buy opportunity has been offered.

New model samples, Specifications, and supporting documentation will be available:

- For Photocouplers, beginning November 2016 through January 2017
- For Solid State Relays, beginning March 2017 through May 2017.

Factory Location Change:

- From: SUN-S Electronic Technology (KUNSHAN) Co., Ltd (China)
- To: KYUSHU DENSHI Co., Ltd (Japan)

EFFECT OF CHANGE:

Sharp is moving production of the Isolation Devices shown in the Table to a different factory. Customers of these devices are requested to contact your local Sharp Representative for replacement model Specifications and quotations.

There is a Last Buy opportunity offered, subject to factory capacity.

Last Buy purchases are NCNR (Non-cancellable, Non-returnable); the Last Ship dates are also noted above, but may change, due to factory capacity.

In case of further questions, please contact your Sharp sales representative.
