

Product Change Notification

● Purpose

We would like to notify customers of a change in packaging for Sharp photointerrupter model GP1S396HCP0F.

- New cover tape material will be used in the packaging due to the old material going EOL.
- This new cover tape material is already being used in model GP1S396HCPSF.

● Effective Time of Change

These are running changes that will be applied starting in September, 2019.

● Details

Please refer to the pages that follow for the details of the material changes.

If you have any questions concerning this notification, please contact your Socle representatives at: Socle_Sales_NA@socle-tech.com

Subject	<u>Packing materials change for Photo interrupter GP1S396HCP0F</u>
---------	---

Category	Photo interrupter (1 model)
Timing	Running change from September, 2019 onward. (Depending on sales situation, the schedule may be changed.)

Regarding a cover tape used on packing material of photo interrupter GP1S396HCP0F,
 we inform to change the material. Could you please accept this products change notification.

1. Model

Model code
GP1S396HCP0F

2. Change contents

Change of cover tape material for packing

	Material	Color	Peeling strength	Type
Before (current)	Polyester	Transparent (none color)	0.1~1.0[N] (Open angle 165~180°)	peeling type with notch
After ※	Not changed	Transparent (light Grey)	Not changed	Peeling type (Normal type)

※Similar model GP1S396HCPSF has been already adopted the same material

3. Reason of Change

Because of EOL of current material

The performance of GP1S396HCP0F will not be changed, according to this PCN,

以上
