Dear Valued Customer,

We would like to inform you that part type CDH30D11DMBHF has reached End of Life (EOL) status and cannot be manufactured going forward.

As a result, any open orders for CDH30D11DMBHF that have not yet been produced will be cancelled.

If you have an ongoing requirement for this product, please see recommended replacement below:

Discontinued Part Type: CDH30D11DMBHF
Recommended Replacement: CD3012MB/DS

Please note that CD3012MB/DS is not an exact replacement and may have differences in size, tolerance, and other specifications. We recommend reviewing the datasheet and validating the part for your application before use. Please contact us if you would like a copy of the datasheet or assistance evaluating this alternative.

We apologize for any inconvenience and appreciate your understanding and continued support.

Best regards,
Laura Starks
