| <b>Detailed Description:</b><br>Swissbit will introduce a new transport packaging tray for the M.2 SATA SSD X-6Xm2 2260 series. The new tray design has been improved for higher stability and product protection.<br>There are <b>no</b> changes to the product itself (form, fit and function).                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                                                                                     |                                      |                        |                         |                                                                                   |                                                                                    |                                                                                    |                                                                                     |                                             |                                             |
