

Informational Notice

IN #: IN21-0004	Rev: 1.0	Issue Date: March 23, 2021																					
Reason for Notification: Change of CompactFlash resistor network																							
Detailed Description: Swissbit is continuously improving supply security by qualifying new sources for critical material. This product change notification is to inform you about a Resistor Network replacement for CompactFlash C-500, C-56 and C-50 series The new replacement fulfils electrical and environmental requirements equally well as its predecessor which is EOL, but has a better operating temperature range. <table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th></th> <th>Current Resistor Network</th> <th>Replacement Resistor Network</th> </tr> </thead> <tbody> <tr> <td>Manufacturer</td> <td>KOA Speer Electronics Inc</td> <td>Yageo</td> </tr> <tr> <td>Package</td> <td>0804</td> <td>0804</td> </tr> <tr> <td>Resistance</td> <td>4x30 ohm $\pm 5\%$</td> <td>4x30 ohm $\pm 5\%$</td> </tr> <tr> <td>Operating Temperature</td> <td>-55°C ~ 125°C</td> <td>-55°C ~ 155°C</td> </tr> <tr> <td>Rating voltage</td> <td>25V</td> <td>25V</td> </tr> <tr> <td>Visual appearance</td> <td style="text-align: center;">  </td> <td style="text-align: center;">  </td> </tr> </tbody> </table> No changes in form fit and function. Swissbit has completed its internal testing and has qualified the new Resistor Network to ensure full compliance and backward compatibility with the previous resistor network type. Updated FMD data is available upon request. Informational Notice

Implementation date: Phase-in beginning in April 2021, floating transition based on stock

Recommended action: No action required

IMPORTANT NOTE:

Swissbit – as a provider of industrial products – announces and informs about changes that will affect the form, fit, function or reliability of our products. We always test backwards compatibility and assure best quality, reliability and transparency for our customers. We apologize for any inconvenience caused.

This Informational Notice is an optional information in accordance with JEDEC J-STD-046.
