

Product Change Notification – Minor change

PCN #: PCN26-0004	Rev: 1.0	Issue Date: January 30, 2026																
Purpose of notification: Adding in-house packaging of U9 controller for USB Products Type of notification: Minor change, for informational notice only																		
Detailed Description: As part of Swissbit's commitment to continuous product/ process improvement, quality, and supply chain stability, Swissbit has introduced fully integrated in-house manufacturing of U9 controller packages. Swissbit will implement the inhouse controller packages as an additional source across the USB platforms. Swissbit's in-house manufacturing site, located in Berlin, Germany, enhances supply chain resilience and provides customers with improved quality assurance standards and controls. There is no change to form fit or function, nor a change to Swissbit part numbers. Performance does not change, and the data sheets remain unchanged. Based on availability, the smooth transition to mixed use of approved suppliers will begin. Component traceability of the products is always guaranteed.																		
Quality impact: No impact																		
Reliability impact: No impact
