# End of Life Notification

**Date:** Nov 16, 2026

**Subject:** Product Change Notification for TDK's Ceramic Capacitors

**Dear Distributor Partner,**

Thank you for your business and continued support of TDK's ceramic capacitors. This letter is to inform you of upcoming product status changes in the TDK MLCC catalog regarding End-of-Life (EOL).

The products listed in **Table 1** have been revised from **Not Recommended for New Design (NRND)** to **End of Life (EOL)**, with Last Time Buy (LTB) dates established below. In most cases, EOL addresses a natural decline in market sales and profitability, but it may also reflect a consolidation of our product portfolio. Regrettably, there are no direct or functional alternatives available for the affected products. However, TDK remains committed to working closely with you to assist with your transition planning and minimize any impact this may cause.

The latest product status can be viewed on the TDK website: https://product.tdk.com/en/index.html
