Product Withdrawal/Discontinuance Notification

Date: 9/21/2015
To: MOUSER PCN

Dear Customer:

Because you have purchased one or more of the products listed on the attachment during the past twenty-four (24) months, we would like to know if you have any continuing requirements for them in the future. We would appreciate your advising us of any such requirements and estimated quantities needed as soon as possible.

In an attempt to satisfy any continuing requirements you may have, TI is offering a non-cancelable lifetime buy for the product. Related dates are included on the attachment. We will contact you as soon as we have completed our review of all customer responses to determine the appropriate course of action required to satisfy your needs for this/these products.

Customers with previously negotiated, special requirements will be handled separately. Any inquiries should be directed to your local Field Sales Representative.

If you require additional supply beyond the dates defined in this letter, please contact your local Field Sales Representative to determine if the parts may be available from a TI-authorized distributor for discontinued products. There is no guarantee of continued supply for these products.

For questions regarding this notice, contact your local Field Sales Representative or the PCN Manager (PCN_ww_admin_team@list.ti.com).

Sincerely,

PCN Team

Product Withdrawal/Discontinuance Notification Details					
Description of Withdrawal/Discontinuance:					
<p>Texas Instruments Incorporated is announcing the product withdrawal for Advanced Light Control 0.7 XGA LVDS/2xLVDS type-A DMDs due to changing a proprietary material used in the DMD process. A Lifetime Buy will be offered for the TI standard period as per the Last Order Date and Last Date to Ship indicated above. Replacement devices are provided in the Product Affected section below. Please contact your local sales representative for availability.</p> <p>NOTE: There are no samples offered for withdrawn/obsolete products. For samples of any replacement products, please contact your local sales representative.</p>					
Reason for Withdrawal/Discontinuance:					
<p>The change is part of TI's proactive chemical use policy and continuation of supply.</p> <p>Texas Instruments Incorporated (TI), Semiconductor Group continually monitors sales and billings activities as well as the availability of newer product versions of older parts. The business activity level for the products listed below warrant the discontinuance of these products by TI.</p>
