Adding KL-PR & TIEM-PR as additional wafer probe site
Change Notification / Sample Request

Date: October 15, 2025
To: MOUSER PCN

Dear Customer:

Revision A is to announce the wafer probe location for the devices listed in the product affected section. KL-PR was inadvertently included in the original version. These devices will be probe tested at our TIEM-PR facility and will not be probe tested at KL-PR.

This is an announcement of a change to a device that is currently offered by Texas Instruments. The details of this change are on the following pages.

Texas Instruments requires acknowledgement of receipt of this notification within 60 days of the date of this notice. Lack of acknowledgement of this notice within 60 days constitutes acceptance and approval of this change. If samples or additional data are required, requests must be received within 60 days of this notification.

The changes discussed within this PCN will not take effect any earlier than the proposed first ship date on Page 3 of this notification, unless customer agreement has been reached on an earlier implementation of the change.

This notice does not change the end-of-life status of any product. Should product affected be on a previously issued product withdrawal/discontinuance notice, this notification does not extend the life of that product or change the life time buy offering/discontinuance plan.

For questions regarding this notice or to provide acknowledgement of this PCN, you may contact your local Field Sales Representative or the change management team.

For sample requests or sample related questions, contact your local Field Sales Representative.

TI values customer engagement and feedback related to TI changes. Customers should contact TI if there are questions or concerns regarding a change notification.

Sincerely,

Change Management Team
SC Business Services

PCN Details											
Description of Change:											
Revision A is to announce the wafer probe location for the devices listed in the product affected section. KL-PR was inadvertently included in the original version. These devices will be probe tested at our TIEM-PR facility and will not be probe tested at KL-PR.											
Texas Instruments Incorporated has qualified KL-PR & TIEM-PR as additional probe site for the devices listed below to support high volume ramps.											
<table border="1" style="width: 100%;"> <tr> <td></td> <td style="text-align: center;">Current:</td> <td style="text-align: center;">Additional:</td> </tr> <tr> <td style="text-align: center;">Probe Site</td> <td style="text-align: center;">CD-PR, CLARK-PR, DL-MOS-4</td> <td style="text-align: center;">TI Melaka (TIEM-PR)</td> </tr> </table>							Current:	Additional:	Probe Site	CD-PR, CLARK-PR, DL-MOS-4	TI Melaka (TIEM-PR)
	Current:	Additional:									
Probe Site	CD-PR, CLARK-PR, DL-MOS-4	TI Melaka (TIEM-PR)									
Test coverage, insertions, conditions will remain consistent with current testing.											
Reason for Change:											
Supply continuity.											
Anticipated impact on Form, Fit, Function, Quality or Reliability (positive / negative):											
None											
Impact on Environmental Ratings:											
Checked boxes indicate the status of environmental ratings following implementation of this change. If below boxes are checked, there are no changes to the associated environmental ratings.
