TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

Product Description: (Text limited to 120 characters)

RF Connector Right Angle SMA Series Plug Assembly

General Description of Changes

Update the production print to use TE Aerospace Defense and Marine Business Unit components. There is no change in Form/Fit/Function of the part. No changes to the design of these components are being made with this Product Change Notice. Only the manufacturing location of these components is changing. TE Connectivity is moving the machining and/or plating of these components from TE's Norwood MA location to another TE Manufacturing location or to a TE Connectivity approved supplier. The new manufacturing location(s) are under a certified quality management system according to industry standards. An internal evaluation and first article based on our specifications will be executed before any parts will be delivered. REF PCN-22-Q22546
