Ampseal Terminal Customer Drawing Block Tolerance Update

General Description of Changes

The Industrial and Commercial Transportation business unit of TE Connectivity is making a minor drawing change to add back the block tolerance which was mistakenly removed in previous revisions for the product drawing(s) listed below.

Reason for Changes:

Dear Customer, we hereby inform you of this drawing change. The change is necessary to communicate correct tolerances for customer drawing dimensions. The change does not impact performance. IMPORTANT: There are no changes to parts as this is a documentation update only.
