TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

Product Description: (Text limited to 120 characters)

SMA Jack 50 Ohm PCB Edge Mount

General Description of Changes

Please be aware the listed documents have been updated to make a correction (not affecting specification of product). 1. Products may be manufactured in either Thailand or Taiwan, depending on production capacity and supply chain requirements. 2. The center contact material specification on the customer drawing has been corrected from Beryllium Copper (BeCu) to Phosphor Bronze. 3. The RoHS information of the products has been corrected to reflect the actual product material composition and the applicable EU RoHS Annex III Exemption 6(c). For details in the product compliance or statement of compliance, please visit TE.com.

Reason for Changes:

1. Addition of a qualified manufacturing source in Thailand to support capacity expansion 2. Correction of center contact material specification on the customer drawing to reflect the actual production material. 3. Correction of RoHS compliance information to ensure alignment with the product's regulatory status and applicable RoHS exemption(s).
