Reason for Changes:

Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you about the addition of a new supplier to manufacture Hermetics shells. Validation of this new supplier is executed by following a strict transfer procedure, which guarantees no negative influence on quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location is under a certified quality management system according the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.
